Dear George,

Thank you again for your hospitality at the Virginia Slims of Florida. It is amazing how you and your group continue to improve on success after success.

It is also a pleasure going to an event and having a great time. As you know, this is not always the case.

Of course the best part of the weekend was your news. God does listen.

George, thank you again. You make our work worthwhile.

Sincerely,

Ina W. Broeman
